

MADAFFALD FOOD WASTE

RESTAFFALD RESIDUAL WASTE

- Fruit and vegetables, including peel
- Leftovers. Eg sauce, potatoes, pasta, meat and cold cuts. Also hulls and bones.
- Fish waste
- Dairy products
- Remains of breads and cakes
- Shells from eggs and nuts
- Bouquets (no soil)
- Coffee grounds, tea leaves + filters
- Kitchen towel and napkins used for food.

- Diapers, napkins, cotton swabs and other hygiene items
- Cartons from juice and dairy products
- Ash and grill charcoal (cold and packed in a bag with knot)
- Dirty packaging from eg ketchup and toothpaste
- Cardboard packaging with leftovers. For example pizza boxes.
- Plastic foam packaging from eg fruit
- Candles
- Vacuum cleaner bags
- Disposable tableware and cutlery
- Coffee bags, chip bags and other mixed packagings

Both residual waste and food waste must be packed in. You can use regular rubbish bags for both. Remember to tie a knot on the bag.

All holiday homes in Odsherred have an outdoor waste bin with two compartments for food and residual waste. Food waste must be put in the smaller compartment. Some cottages also have an extra bin for residual waste. It has only one compartment.

PAPIR PAPER

- Newspapers and magazines without plastic
- Letters, envelopes and postcards
- Writing paper
- Booklets and leaflets
- Comics and paperbacks
- Small cardboard boxes from eg cornflakes, eggs and toothpaste - but NOT corrugated cardboard.

Cardboard must be torn or folded. Corrugated cardboard has to be separated from the paper.

GLAS GLASS AND BOTTLES

- Both transparent and coloured glass.
- Empty wine bottles, also with screw cap and foil.
- Empty glasses from jam, herrings, coffee and the like, without food residues
- Other glass packaging from eg juice and oil

No porcelain, ceramics, crystal glasses and ovenproof glass in the container, please!

Paper and glass can be recycled. Therefore you have to bring paper and glass to the green bubble containers you find by many supermarkets and other central places in Odsherred, including some beaches.

You can also mix small cardboard boxes with paper, but **not corrugated cardboard**.

METAL

Empty cans and small metal packaging as well as paper and glass are also collected in these three places:

Klint: Martinus Center Klint, Fyrrebackkevej, 4500 Nykøbing Sj
Sjællands Odde: Olgas Grill, Gnibenvej 2, 4583 Sjællands Odde
Høve Strand/Lyngen: Agersøvej v. Asnæs Lyngvej, 4550 Asnæs

EXTRA RESIDUAL WASTE

If you have extra residual waste, you can put it in sacks next to the container. You need special sacks for this.
If you rent the house through a rental agency, please contact the agency.
If you borrow/rent the house privately, you can buy the extra sacks in some supermarkets, mainly Spar, SuperBrugsen and Dagli'Brugsen (ask at the counter).

RECYCLING STATIONS

Odsherred has four public recycling stations, where you can deliver corrugated cardboard, metal, plastic and batteries as well as larger things.

You will find addresses, opening hours and sorting instructions www.odsherred.dk/genbrugsstationer (in Danish only).
